THIS WEEKEND!

George Gainer

Come Awake

Wake up calls come in lots of different forms. For some of us it is the jarring sound of our alarm clock in the morning. For others it is the gentle voice of our spouse telling us it is time to get up. At work it may be an email reminder from our boss regarding a fast approaching deadline. Regardless of the form it takes, wake up calls all have one thing in common - they are given to someone who is sleeping. Like the disciples who fell asleep in the Garden of Gethsemane. Or, the 10 virgins in Jesus's story who fell asleep waiting for the bridegroom. A wake up call is a good thing! Especially good at the start of a New Year! So here goes - "Awake, O sleeper, and arise from the dead, and Christ will shine upon you."

COMING SOON! "REFORMATION HOUR" - will consist of Scripture, readings from the Great Controversy, It Is Written segments, Uncle Arthur's Bible Stories, Hymns inspired by the Reformation, and dramatized excerpts from key moments in the Reformation.

MAKE A DIFFERENCE AS A HOSPICE VOLUNTEER

Needed Now • Adventist Health Hospice

Throughout the Portland area, Adventist Health Hospice patients need your gift of time as a volunteer! There is no experience needed to be a Patient Companion Volunteer--just a compassionate heart for people and the desire to make a patient's remaining days as fulfilling as possible. It is about the gift of your presence and spending just a little of your time to sit with those who are facing the end of their lives. Sometimes, it's just to talk or read to them or share stories and laughter...at other times...you could help record a life history, play music, cards or board games with them, and even share a hobby with them. It's as individual as you are. Help me match you with a waiting need. Caregivers need the blessing of your time to take care of themselves. This allows them to return "recharged" to tend to their loved one. Hospice patients sometimes have no family and can be greatly moved by your presence. These are momentous gifts. And there are numerous options in how you can help. Volunteers work out in the field - in patient's homes, adult care homes, or nursing homes, wherever a patient might call home. The hours are flexible, whether you can commit a few hours a week, or just a few hours a month. We provide thorough training. If you feel called, please contact the Adventist Health Hospice Volunteer Coordinator at 503/251-6192, ext. 56420 or by email at murphydl@ah.org.

NOW IS THE TIME TO VOLUNTEER AT PACS - We will be honest. We could use a few more volunteers! Join our community of service and volunteer at PACS even once a week for 4 hours! If you or someone you know would like to give the gift of service as a thrift store cashier, driver/rider, help in our food pantry or any other volunteer positions, please visit the [volunteering section of our website](#) or call Kellie Stephens at, 503-252-8500 ext 120.

DO YOU HAVE A STORY OF STEWARDSHIP TO SHARE?

The Oregon Conference Media Center is looking to create a video series of stewardship stories. We are looking for all kinds of stories that are related to stewardship. They do not have to be stories from just within the Oregon Conference. Send us names and contact information of individuals that you think have a great stewardship story to tell. Once we receive a list of potential stories we will make a quick phone call to them and get the gist of the story and then we will choose the stories that would be best to pursue at this point. We would then set up a time to do a video interview and some re-enactment.

Thank you for sending us the story leads you know of. We are entrusted by God with everything we have on this earth. We are responsible to Him for their proper use. We hope by telling peoples stewardship stories that more people can receive the outpouring of blessings from God. Send story leads to the Oregon Conference Media Center, Director J.C. Munoz at: munozeditor@gmail.com
