MAKE A DIFFERENCE AS A HOSPICE VOLUNTEER

Needed Now • Adventist Health Hospice

Throughout the Portland area, Adventist Health Hospice patients need your gift of time as a volunteer! There is no experience needed to be a Patient Companion Volunteer--just a compassionate heart for people and the desire to make a patient's remaining days as fulfilling as possible. It is about the gift of your presence and spending just a little of your time to sit with those who are facing the end of their lives. Sometimes, it's just to talk or read to them or share stories and laughter...at other times...you could help record a life history, play music, cards or board games with them, and even share a hobby with them. It's as individual as you are. Help me match you with a waiting need. Caregivers need the blessing of your time to take care of themselves. This allows them to return "recharged" to tend to their loved one. Hospice patients sometimes have no family and can be greatly moved by your presence. These are momentous gifts. And there are numerous options in how you can help. Volunteers work out in the field - in patient's homes, adult care homes, or nursing homes, wherever a patient might call home. The hours are flexible, whether you can commit a few hours a week, or just a few hours a month. We provide thorough training. If you feel called, please contact the Adventist Health Hospice Volunteer Coordinator at 503/251-6192, ext. 56420 or by email at murphydl@ah.org.

HELP SOMEONE BY VOLUNTEERING: PACS (Portland Adventist Community Services) has volunteer opportunities in the Food Pantry and Thrift Stores. We are currently in need of morning drivers/riders, cashiers, and goods processing. Apply online at pacsonline.org or call 503/252-8500 and ask for Kellie for more information.

SCHOOL NEWS

PRINCIPAL'S MESSAGE

This is my final "Principal Message" at Hood View. It has been a genuine privilege to serve at Hood View the last five years. As we look to the future, it is good to remind ourselves that God continues to have a specific purpose for Hood View and the lives of each of the students here. It will be exciting to see how God continues to work at the school. I will miss working with all of you, but know the school will continue to be in good hands!

Name Change

There will be a number of changes for next school year. One change that I want to make you aware of is that at our last Constituency Meeting it was voted to change the name of the school. "Junior Academy" was originally a term to designate schools that had a 9th or 10th grade. It was decided to adopt a name that is more accurate of what grade levels are taught here. The school board and constituency both voted to adopt the name, "**Hood View Adventist School.**" Next year, will be a transition year, as we slowly transition to the new name. Please know that Hood View will still be the same welcoming, open school that you have come to love.

Start Date

There is also a change to our traditional start date. Because of the increasing number of teacher in-service days required, we have had to move our start date up a couple of days. Pending board approval, Wednesday, August 29, will be our first day of school. The complete calendar will be mailed out this summer.

DO YOU HAVE A STORY OF STEWARDSHIP TO SHARE?

The Oregon Conference Media Center is looking to create a video series of stewardship stories. We are looking for all kinds of stories that are related to stewardship. They do not have to be stories from just within the Oregon Conference. Send us names and contact information of individuals that you think have a great stewardship story to tell. Once we receive a list of potential stories we will make a quick phone call to them and get the gist of the story and then we will choose the stories that would be best to pursue at this point. We would then set up a time to do a video interview and some re-enactment.

Thank you for sending us the story leads you know of. We are entrusted by God with everything we have on this earth. We are responsible to Him for their proper use. We hope by telling peoples stewardship stories that more people can receive the outpouring of blessings from God. Send story leads to the Oregon Conference Media Center, Director J.C. Munoz at: munozeditor@gmail.com
