## THIS WEEKEND!

**Greg Phillips; Worship Committee Meeting; Gym Night; St. Patrick's Day** 

### Uncommon Love: Come See Jesus

As I've been considering our text for this week, John 4, the response of the Samaritan woman at the well amazes me. Jesus put his finger right on a very sore spot in her life--her broken relationships with men--and her response was shocking; instead of being defensive, she eagerly ran back to town and told everyone, "Come, see a man who told me everything I ever did." No shame. No impulse to withdraw and hide. There's something different about Jesus, isn't there? Uncommon Love. It isn't a concept or a feeling; Uncommon Love has a name. Come see Jesus!

### **MAKE A DIFFERENCE AS A HOSPICE VOLUNTEER**

Needed Now • Adventist Health Hospice

Throughout the Portland area, Adventist Health Hospice patients need your gift of time as a volunteer! There is no

experience needed to be a Patient Companion Volunteer--just a compassionate heart for people and the desire to make a patient's remaining days as fulfilling as possible. It is about the gift of your presence and spending just a little of your time to sit with those who are facing the end of their lives. Sometimes, it's just to talk or read to them or share stories and laughter...at other times...you could help record a life history, play music, cards or board games with them, and even share a hobby with them. It's as individual as you are. Help me match you with a waiting need. Caregivers need the blessing of your time to take care of themselves. This allows them to return "recharged" to tend to their loved one. Hospice patients sometimes have no family and can be greatly moved by your presence. These are momentous gifts. And there are numerous options in how you can help. Volunteers work out in the field - in patient's homes, adult care homes, or nursing homes, wherever a patient might call home. The hours are flexible, whether you can commit a few hours a week, or just a few hours a month. We provide thorough training. If you feel called, please contact the Adventist Health Hospice Volunteer Coordinator at 503/251-6192, ext. 56420 or by email at [murphydl@ah.org](mailto:murphydl@ah.org).

**HELP SOMEONE BY VOLUNTEERING** - PACS (Portland Adventist Community Services) has opportunities to volunteer in the Food Pantry, Thrift Store, and Health Clinic. Apply online at [pacsonline.org](http://pacsonline.org) or call 503/252-8500 for more information.

As you pray for these individuals, please consider sending them a subscription to *Signs of the Times*® at 800/545-2449. Prayer and the printed page are great teammates and proven soul winners.

### **DO YOU HAVE A STORY OF STEWARDSHIP TO SHARE?**

The Oregon Conference Media Center is looking to create a video series of stewardship stories. We are looking for all kinds of stories that are related to stewardship. They do not have to be stories from just within the Oregon Conference. Send us names and contact information of individuals that you think have a great stewardship story to tell. Once we receive a list of potential stories we will make a quick phone call to them and get the gist of the story and then we will choose the stories that would be best to pursue at this point. We would then set up a time to do a video interview and some re-enactment.

Thank you for sending us the story leads you know of. We are entrusted by God with everything we have on this earth. We are responsible to Him for their proper use. We hope by telling peoples stewardship stories that more people can receive the outpouring of blessings from God. Send story leads to the Oregon Conference Media Center, Director J.C. Munoz at: [munozeditor@gmail.com](mailto:munozeditor@gmail.com)

If it's even remotely computer related, give us a call - if we don't do it ourselves, we probably know an expert who does! Contact Greg Sloop at 503/251-0452 x121 / gregs@sloop.net / [www.sloop.net](http://www.sloop.net)

**CLEANING FOR A REASON:** If you know any woman currently undergoing chemotherapy for ANY type of cancer, please pass the word to her that there is a cleaning service that provides FREE housecleaning - once per month for 4 months while she is in treatment. All she has to do is sign up and have her doctor fax a note confirming the treatment. Cleaning for a Reason will have a participating maid service in her zip code area arrange for the service. This organization serves the entire USA and currently has 547 partners to help these women. It's our job to pass the word and let them know that there are people out there that care. Be a blessing to someone and pass this information along. <http://www.cleaningforareason.org/>.
