## THIS WEEKEND!

**George Gainer; All-Church Potluck  
Something Beautiful for God**

There is something about the "beauty" of autumn that reaches out and draws me. You too? Leanne and I have driven out of the way several times in the past week just to feast our eyes on the beauty of our favorite stretch of blazing red maples. They are amazing! It is clear that our Creator God loves beauty! And not just the beauty of autumn leaves and landscapes. He rejoices in the beauty of holy loving relationships! It is through such relationships that He purposes to bless the world! Have you ever considered that that is why He has called you and me to be part of this miracle called church? Holy loving relationships reflect the Beauty of our Triune God; and are like stars that sparkle like diamonds in the night to draw others find their life in Him too! We are one in the Spirit! We are one in the Lord! Yes!

### **SURVEY PARTICIPATION REQUESTED**

Every five years, the Seventh-day Adventist World Church conducts a survey of Church Members across the globe. The survey is designed to discover what members believe, their experiences with the Church, and how members live their daily lives; this is done by focusing questions on members' beliefs, practices, religious and spiritual attitudes and behaviors, family life, community involvement, and the Adventist health message, among other items. This survey will help Church leadership not only understand what members believe and do, but is also very valuable in strategic planning for our evangelistic, discipling, and nurturing efforts at the local church, conference, union, division, and global levels.

The goal of the current study is to measure progress of church members in three aspects reflected in the Reach the World 2015-2020: Reach Up to God, Reach In with God, and Reach Out with God. The data from this survey will be very helpful as we assess the needs of Church membership and how your Church can best meet those needs.

This survey provides a unique opportunity by allowing you to:

1. tell the World Church leaders what you believe, think and do
2. tell World Church leaders what is important to you about our Church
3. tell World Church leaders what you see as the strengths of our Church
4. tell World Church what needs to be done to make our Church a stronger community of faith

Please note: this survey takes about an hour of your time. We encourage you not to become overwhelmed or weary because of the length; you are providing valuable information, and we very much appreciate your participation in this voluntary survey!

Here is the link to the survey in English: <https://www.surveymonkey.com/r/GCMSNADMin>

If you prefer the survey in Spanish, click here: <https://www.surveymonkey.com/r/NADSpanish>.

Should you have any questions regarding this survey, please write to Dr. Petr Cincala at [cincala@andrews.edu](mailto:cincala@andrews.edu), who is responsible for the data collection in NAD.

***Petr Cincala is an Assistant Professor of World Mission and Director for the Institute of Church Ministry at Andrews University***

### **MAKE A DIFFERENCE AS A HOSPICE VOLUNTEER**

Needed Now • Adventist Health Hospice

Throughout the Portland area, Adventist Health Hospice patients need your gift of time as a volunteer! There is no experience needed to be a Patient Companion Volunteer--just a compassionate heart for people and the desire to make a patient's remaining days as fulfilling as possible. It is about the gift of your presence and spending just a little of your time to sit with those who are facing the end of their lives. Sometimes, it's just to talk or read to them or share stories and laughter...at other times...you could help record a life history, play music, cards or board games with them, and even share a hobby with them. It's as individual as you are. Help me match you with a waiting need. Caregivers need the blessing of your time to take care of themselves. This allows them to return "recharged" to tend to their loved one. Hospice patients sometimes have no family and can be greatly moved by your presence. These are momentous gifts. And there are numerous options in how you can help. Volunteers work out in the field - in patient's homes, adult care homes, or nursing homes, wherever a patient might call home. The hours are flexible, whether you can commit a few hours a week, or just a few hours a month. We provide thorough training. If you feel called, please contact the Adventist Health Hospice Volunteer Coordinator at 503/251-6192, ext. 56420 or by email at [murphydl@ah.org](mailto:murphydl@ah.org).

**NOW IS THE TIME TO VOLUNTEER AT PACS** - We will be honest. We could use a few more volunteers! Join our community of service and volunteer at PACS even once a week for 4 hours! If you or someone you know would like to give the gift of service as a thrift store cashier, driver/rider, help in our food pantry or any other volunteer positions, please visit the [volunteering section of our website](#) or call Kellie Stephens at, 503-252-8500 ext 120.
