

Here's the latest news from PVC...

THIS WEEKEND!

Greg Phillips; All-Church Potluck hosted by Women of Hope & Explorers (Asian/Islander theme 😊)

Don't Press the Snooze Button!

Ever since I got my first alarm clock, I've been a big fan of the snooze button. The call to rise and shine is often answered with groans of, "Just a few more minutes of precious sleep!" When the Holy Spirit calls me from my sleep, though, I want to respond fully; no snoozing! That's what we're experiencing—a wakeup call from the Spirit. Are your eyes open? Tempted to drift back into drowsy slumber? I'm learning that the secret place is the Spirit's answer to the spiritual snooze button. Spend some secret-place time in John 15:5-15 and we'll dig into idea together on Sabbath.

NEXT WEEKEND:

George Gainer; Salvation Celebration Weekend; Baptism; Adventurer Club; CWC Art Class

PATHFINDER BIBLE EXPERIENCE (PBE)

This year, PVC had 4 teams taking part in PBE. That's about 50% of our club studying the Bible. We were also joined by two teams from Living Word Church who wanted to learn how to do PBE, so rooms 1 & 2 have been a hopping place for the past 4 months on Sunday mornings. Three out of four teams are invited to the final Division Level in Rockford, IL on **April 26, 2019** as they were awarded First Place at the district, conference, and union levels. If you are interested in helping our teams travel to the division level, please consider the following ways you can help:

1. Make a tax deductible donation by placing a check or cash in a tithe envelope, write "Pathfinder Fundraisers" on the outside of the envelope, and drop it in the offering plate. Please make checks payable to PVC.
2. Verse-a-thon Fundraiser - Make a pledge towards a specific Pathfinder and they will recite a chapter from the book of Luke. After they recite the chapter, you may turn in your donation.
3. Keep us in your prayers as we travel to the Chicago area.

Here are the team participants:

COMING SOON! "REFORMATION HOUR" - will consist of Scripture, readings from the Great Controversy, It Is Written segments, Uncle Arthur's Bible Stories, Hymns inspired by the Reformation, and dramatized excerpts from key moments in the Reformation.

MAKE A DIFFERENCE AS A HOSPICE VOLUNTEER

Needed Now • Adventist Health Hospice

Throughout the Portland area, Adventist Health Hospice patients need your gift of time as a volunteer! There is no experience needed to be a Patient Companion Volunteer--just a compassionate heart for people and the desire to make a patient's remaining days as fulfilling as possible. It is about the gift of your presence and spending just a little of your time to sit with those who are facing the end of their lives. Sometimes, it's just to talk or read to them or share stories and laughter...at other times...you could help record a life history, play music, cards or board games with them, and even share a hobby with them. It's as individual as you are. Help me match you with a waiting need. Caregivers need the blessing of your time to take care of themselves. This allows them to return "recharged" to tend to their loved one. Hospice patients sometimes have no family and can be greatly moved by your presence. These are momentous gifts. And there are numerous options in how you can help. Volunteers work out in the field - in patient's homes, adult care homes, or nursing homes, wherever a patient might call home. The hours are flexible, whether you can commit a few hours a week, or just a few hours a month. We provide thorough training. If you feel called, please contact the Adventist Health Hospice Volunteer Coordinator at 503/251-6192, ext. 56420 or by email at murphydl@ah.org.

NOW IS THE TIME TO VOLUNTEER AT PACS - We will be honest. We could use a few more volunteers! Join our community of service and volunteer at PACS even once a week for 4 hours! If you or someone you know would like to give the gift of service as a thrift store cashier, driver/rider, help in our food pantry or any other volunteer positions, please visit the [volunteering section of our website](#) or call Kellie Stephens at, 503-252-8500 ext 120.

WILDWOOD LIFESTYLE CENTER

For over 75 years, Wildwood Lifestyle Center has helped people not only stop disease progression, but also naturally reverse it. The 11-day and 25-day programs provide patients with the life they were always meant to live, both physically, mentally and spiritually. Call us for your healing not only for your illnesses, but also for your soul 1-800-634-9355 or visit our website at [wildwoodhealth.com](#).

DO YOU HAVE A STORY OF STEWARDSHIP TO SHARE?

The Oregon Conference Media Center is looking to create a video series of stewardship stories. We are looking for all kinds of stories that are related to stewardship. They do not have to be stories from just within the Oregon Conference. Send us names and contact information of individuals that you think have a great stewardship story to tell. Once we receive a list of potential stories we will make a quick phone call to them and get the gist of the story and then we will choose the stories that would be best to pursue at this point. We would then set up a time to do a video interview and some re-enactment.

Thank you for sending us the story leads you know of. We are entrusted by God with everything we have on this earth. We are responsible to Him for their proper use. We hope by telling peoples stewardship stories that more people can receive the outpouring of blessings from God. Send story leads to the Oregon Conference Media Center, Director J.C. Munoz at: munozeditor@gmail.com
