Great Power! Great Grace!

The old had gone - the new had come! The age to come has indeed broken into the present! Great power! Great grace! New creation! Interested? Whosoever will may come ...

SDA RADIO – NEW NAME, NEW PROGRAMS (Formerly Adventist Public Radio)

To avoid confusion with our being a General Conference affiliate, we broadcast as an independent "supporting" ministry of the Seventh-day Adventist Church under a new name, more in harmony with our goal of reaching non-Christians with the Adventist message. Our new SDA website launches this month:

"A NEW START" (9am, 3pm, 12am PST) Featuring the best Natural Healers in Adventism.

NEW!! "A THOUGHTFUL HOUR" on the closing scenes of Christ's life (5pm & 10pm PST)

Consists of Scripture readings, excerpts from the Desire of Ages, Uncle Arthur's Bible stories, interspersed with symphony music reflected for each stage - Last Supper, Gethsemane, Trial, Cross, 2nd Death, Tomb, Resurrection (Due to the emotional content of this hour we are only able to broadcast it twice daily)

COMING SOON! "REFORMATION HOUR" - will consist of Scripture, readings from the Great Controversy, It Is Written segments, Uncle Arthur's Bible Stories, Hymns inspired by the Reformation, and dramatized excerpts from key moments in the Reformation.

Available Online at the website, or Roku TV, SDA RADIO APP and YouTube. Problems Listening? Go to www.SDAradio.com and click "listen live".

MAKE A DIFFERENCE AS A HOSPICE VOLUNTEER

Needed Now • Adventist Health Hospice

Throughout the Portland area, Adventist Health Hospice patients need your gift of time as a volunteer! There is no experience needed to be a Patient Companion Volunteer--just a compassionate heart for people and the desire to make a patient's remaining days as fulfilling as possible. It is about the gift of your presence and spending just a little of your time to sit with those who are facing the end of their lives. Sometimes, it's just to talk or read to them

or share stories and laughter...at other times...you could help record a life history, play music, cards or board games with them, and even share a hobby with them. It's as individual as you are. Help me match you with a waiting need. Caregivers need the blessing of your time to take care of themselves. This allows them to return "recharged" to tend to their loved one. Hospice patients sometimes have no family and can be greatly moved by your presence. These are momentous gifts. And there are numerous options in how you can help. Volunteers work out in the field - in patient's homes, adult care homes, or nursing homes, wherever a patient might call home. The hours are flexible, whether you can commit a few hours a week, or just a few hours a month. We provide thorough training. If you feel called, please contact the Adventist Health Hospice Volunteer Coordinator at 503/251-6192, ext. 56420 or by email at murphydl@ah.org.

NOW IS THE TIME TO VOLUNTEER AT PACS - We will be honest. We could use a few more volunteers! Join our community of service and volunteer at PACS even once a week for 4 hours! If you or someone you know would like to give the gift of service as a thrift store cashier, driver/rider, help in our food pantry or any other volunteer positions, please visit the [volunteering section of our website](#) or call Kellie Stephens at, 503/252-8500 ext 120.

WILDWOOD LIFESTYLE CENTER

DO YOU HAVE A STORY OF STEWARDSHIP TO SHARE?

The Oregon Conference Media Center is looking to create a video series of stewardship stories. We are looking for all kinds of stories that are related to stewardship. They do not have to be stories from just within the Oregon Conference. Send us names and contact information of individuals that you think have a great stewardship story to

tell. Once we receive a list of potential stories we will make a quick phone call to them and get the gist of the story and then we will choose the stories that would be best to pursue at this point. We would then set up a time to do a video interview and some re-enactment.

Thank you for sending us the story leads you know of. We are entrusted by God with everything we have on this earth. We are responsible to Him for their proper use. We hope by telling peoples stewardship stories that more people can receive the outpouring of blessings from God. Send story leads to the Oregon Conference Media Center, Director J.C. Munoz at: munozeditor@gmail.com

CLEANING FOR A REASON: If you know any woman currently undergoing chemotherapy for ANY type of cancer, please pass the word to her that there is a cleaning service that provides FREE housecleaning - once per month for 4 months while she is in treatment. All she has to do is sign up and have her doctor fax a note confirming the treatment. Cleaning for a Reason will have a participating maid service in her zip code area arrange for the service. This organization serves the entire USA and currently has 547 partners to help these women. It's our job to pass the word and let them know that there are people out there that care. Be a blessing to someone and pass this information along. <http://www.cleaningforareason.org/>.
