

## PASTORAL CANDIDATE RECOMMENDATION FORM

As a member of the church, you are welcome to share recommendations with your church PSAC (Pastoral Search Advisory Committee) regarding pastors whom you believe would be a good match for your church, and why you believe they should be considered. If you know a pastoral candidate very well (are close friends or family with them), then you may contact the pastor directly to see if they would be interested. If they are, you may ask them to send via email a cover letter indicating their interest as well as their current resume to Pastor Randy Hill, Oregon Conference at [Randy.Hill@oc.npuc.org](mailto:Randy.Hill@oc.npuc.org). If you do not have a personal relationship with them, please use the below form to share your recommendation(s), providing pertinent information and give to a pastoral search committee member. And most importantly, please continue to pray!
